

Leonie Gussone

Integrative Anthropological Sciences
University of California, Santa Barbara
E-Mail: lgussone@ucsb.edu

EDUCATION

- 2022-Present** **M.A/Ph.D. Integrative Anthropological Sciences**
University of California, Santa Barbara, USA
Advisor: Dr. Michelle Brown
- 2019-2022** **M.Sc. Organismic Biology, Evolutionary Biology, and Paleobiology**
Bonn University, Germany
Thesis: Intergroup encounters in pair-living primates: Comparative analysis and a case study of pair-living owl monkeys (*Aotus azarae*) of Argentina
Advisor: Dr. Eduardo Fernandez-Duque
- 2014-2018** **B.Sc. Environmental Bioscience**
Trier University, Germany
Thesis: Population estimation of the endangered yellow-bellied toad (*Bombina variegata*) in a nature reserve in Germany
Advisor: Dr. Norman Wagner

PROFESSIONAL INTERESTS

Primate Behavioral Ecology, Population Ecology, Intergroup Relations
Wildlife Biology and Conservation, Effects of environmental and anthropogenic change

PUBLICATIONS

- In preparation** **L. Gussone**, A. Garcia de la Chica & E. Fernandez-Duque: Intergroup encounters in pair-living primates: Comparative analysis and a case study of pair-living owl monkeys (*Aotus azarae*) of Argentina
- In preparation** S. Vitt, **L. Gussone** & T. Thünken: Impact of inbreeding and kin competition on color dynamics during territory acquisition in a cichlid fish
- In preparation** **L. Gussone**, A. Hüllen, S. Vitt & T. Thünken: The impact of genetic relatedness on mating behavior in the cichlid fish *Pelvicachromis pulcher*
- 2019** N. Wagner, L. Backes, S. Dierking, **L. Gussone**, ... & M. Veith: Überprüfung der Bestände streng geschützter Amphibienarten im Kreis Trier-Saarburg und der Stadt Trier - Zeitschrift für Feldherpetologie 26: 41-68
- 2017** N. Wagner, S. Lötters, S. Bauer, J. Beninde, J. Ewen, G. Fichera, L. Feiler, S. Feldmeier, B. Fontaine, D. Göb, **L. Gussone**, ... & M. Veith: Zur Verbreitung des Gebänderten Feuersalamanders (*Salamandra salamandra terrestris* LACÉPÈDE, 1788) im Naturpark Südeifel sowie im rheinland-pfälzischen Teil des Naturparks Nordeifel (Amphibia Urodela Salamandridae) - Dendrocopos 44: 7-20

CONFERENCE TALKS (*presenter)

- 2022** **L. Gussone***, A. Garcia de la Chica & E. Fernandez-Duque: Intergroup encounters in wild pair-living owl monkeys (*Aotus azarae*) in Argentina. Animal Behavior Society Conference (virtual)
- 2021** **L. Gussone***, A. Hüllen, S. Vitt & T. Thünken The impact of genetic relatedness on mating behavior in the cichlid fish *Pelvicachromis pulcher*. German Ichthyological Society annual conference (virtual)
